

WADSWORTH CLARKE HEADS CAMPAIGN FOR EPISCOPAL FUND

\$302,172 Will Be Raised in Three Years in the Lexington Diocese of the Episcopal Church.

Wadsworth Clark has been appointed chairman in the Mayville parish to aid the campaign to raise \$302,172 in three years in the Lexington Diocese of the Episcopal Church. The canvass here is a part of the nationwide campaign to further the interests of the church. Mr. Clark will be glad to explain to any interested, the work that will be done, how the money is to be pledged, and give any further information concerning the work. It is believed that Mayville will be prominent in this great movement. The amount asked in each parish is comparatively small. The Mayville quota will be announced in a few days.

In 1919, the Lexington Diocese has received from the Board of Missions \$6,000 and contributed to the board just \$2,911.60. See what a difference there is in what has been given and what has been received? In 1920, the Lexington Diocese expects to receive from the Missions Board \$95,618.94, and it is asked to contribute only \$18,335. Plain figures show the Lexington Diocese receives more than it gives.

The funds raised in this campaign will go toward increasing the general work of the church all over the Diocese, for development of Margaret College for Girls at Versailles and St. John's Institute and Westworth Farm at Corbin. It is hoped to place three new diocesan missionaries in the field and to build a community home for the Negro congregation of the St. Andrew's church, Lexington.

The work of the church is spreading, and its influence is daily growing in power. But it must have help, just as any other movement must. The record of the Episcopal Institutions in this diocese have a record to be proud of anywhere, and the scope of its activity is unlimited.

ARRESTED FOR SHOOTING WITH INTENT TO KILL

Officer Fred Wells this afternoon arrested Lawton Haley, colored, on a warrant issued in Squire Fred W. Bauer's court charging him with shooting at another with intent to kill. Haley's appearance bond for appearance before Squire Bauer Saturday afternoon was fixed at \$300. It is charged that Haley has been too familiar with the wife of Claude Barbour, a colored man who lives on East Third street and that a few nights ago Barbour found Haley at his home and an argument was started in which Haley fired a revolver at Barbour, but did not strike him.

WINDOW GLASS SPECTACLES NOT DANGEROUS

If you had your choice between giving up everything you have in this world and losing your eyesight, I am sure you would keep your eyes. Trouble is we never think of these things until we're brought face to face with them. Many people buy spectacles from peddlers that do more harm than window glass spectacles. If you value your eyes, consult only a reliable sight specialist. Come to

JACOBSEN, MASTER OF THE VIOLIN, PLEASES

Second Number of All-Star Musical Series at Washington Thanksgiving Evening Pleases Lovers of Good Music.

There was a very appreciative audience at the Washington Theater Thursday evening to hear Sascha Jacobsen, the musical marvel of the present day. Jacobsen, although a very young man, has leaped into fame as it over night and has attracted the attention of the lovers of music drawing from some of the most competent critics the highest of praise.

Those in the audience Thursday evening who can appreciate extraordinary music were more than pleased with the concert and are loud in their praise of the artist. While the wonderful tones which came from his violin as he drew the bow across the strings rang upon the ears of his hearers as if they came from a master, Jacobsen played as an ordinary "fiddler" and his unassuming air on the platform endeared him to those who heard him and again emphasized the fact that a really great man is great in being his plain self.

Messrs. William and Gerald Murphy are to be congratulated upon bringing to Mayville such a high class series of concerts.

SPECIAL TRAIN WILL CARRY THIS COUNTY'S FOLKS TO FRANKFORT

Special Train Chartered by Local Republicans to Take Delegation to Governor's Inauguration.

Arrangements were finally completed this morning for a special train to carry the Mayville and Mason county delegation to Frankfort on December 9th to the inauguration of Hon. Edwin P. Morrow as governor of the state.

Colonel J. Barbour Russell, acting for the local Republicans, this morning entered into a contract with the Louisville and Nashville railroad company for a special train of the coaches and gave his personal check for \$787.50 to assure the train. If necessary, extra coaches can be added to the train. The schedule of the train is for the train to leave the local L. & N. station at 6 o'clock on Tuesday morning, December 9th, and will arrive in Frankfort at 9 o'clock. The train will make but one stop and that will be at Flemingburg Junction where many of the county Republicans will be taken on for the trip. The train will leave Frankfort returning at 8 o'clock at night and will arrive in Mayville at 11 o'clock. It is expected that a big delegation from Bracken and Boone counties will be in Mayville to leave here with the Mason county crowd.

Tickets for the trip will be put on sale immediately. These tickets will be sold for \$6.50 the round trip and every person who expects to attend must purchase or engage his ticket before the train leaves on Tuesday morning.

It is thought that there will be at least 125 Mason county delegates take the trip and they will be headed by our famous Boys' Band, which was promised the trip by Governor-elect Morrow when he spoke here a few weeks ago. Our own band will lead the famous inaugural parade through the streets of Frankfort and will serenade Governor and Mrs. Morrow at the mansion. The band and the local delegation will have their headquarters in the Elks' beautiful home and ribbons are being printed to distinguish every Mayvillian.

Behind this special train there is a guarantee committee of prominent local Republicans. This committee is composed of the following gentlemen: Dr. W. S. Yazell, W. W. Ball, Jr., Judge H. P. Purnell, H. J. Cochran, J. M. Collins, Clarence Mathews, F. L. Hendrickson, A. H. Dillon, J. M. Cochran, C. E. Galtbreath, A. G. Watson, T. M. Russell, E. T. Kirk, LeWright Browning and J. B. Russell.

Local Republicans are very enthusiastic about the trip and it is to be hoped that there will be a delegation from this county large enough to back up our famous Boys' Band whose trip to Frankfort on Inauguration Day is being looked forward to with so much interest by Governor Morrow and the other officials.

Persons desiring tickets for this trip should call at the Public Ledger office immediately. Don't put it off. Do it now.

MISS BLANCHE RIDDLE DIES VERY SUDDENLY LAST NIGHT

One of Mayville's Leading Business Women Died Last Night Very Suddenly at Her Home in Aberdeen of Cerebral Hemorrhage.

Miss Blanche Riddle, for several years the very efficient office assistant for A. G. Suter & Company, local insurance agents, died at her home in Aberdeen at about 9 o'clock Thursday evening after only a few hours illness. These Riddle had for years been a sufferer from nervousness but on Thursday morning arose in her usual good health. She went to the Aberdeen Post Office for her mail and was sitting at her home looking over her mail when she was stricken with a severe pain over the eyes. She lapsed into unconsciousness and although her devoted brother-in-law, Dr. S. A. Laughlin, a very efficient physician, did all that could possibly be done to save her, she died without regaining consciousness.

Miss Riddle was an unusually efficient business woman and was regarded by local business men as probably the best business woman in the city. She was a daughter of the late G. A. Riddle, who operated the large Aberdeen Tannery and besides her mother, she is survived by six sisters, Mrs. William Kellum, Mrs. George W. Barkley, Mrs. S. A. Laughlin, Misses Anna, Louise and Minnie Riddle.

Workers are engaged now in installing new boilers and a new stock at the Reynolds plant South of Forest avenue.

GENERAL OBSERVATION OF THANKSGIVING DAY

GREAT REVIVAL IS NEEDED IN NATION, LOCAL PASTOR SAYS

In Thanksgiving Service, Rev. Dickey Says the United States Needs a Great Wave of Religious Awakening Such as Shook the Country in 1900.

The annual Thanksgiving service held Thursday morning at the First Baptist church was a very interesting one and the sermon by Rev. J. J. Dickey, pastor of the "Little Brick" church, greatly impressed his large audience. The music of the service was one of the great features. A Sextette composed of Mrs. H. C. Barnes, Mrs. Percy Lee, Miss Amy King, Prof. W. J. Caplinger, Mr. W. A. Munzing and Mr. C. S. Kirk led the hymns of praise and sang a beautiful Thanksgiving Anthem. Miss Stella Archdeacon was at the organ. The annual offering was used to pay the expressage on clothing donated by Mayville people to the stricken Armenians and Syrians.

Pastor Dickey built his sermon around "Righteousness Exalteth A Nation" and it was a wonderful sermon he built. After recounting the blessings given our own United States by the Heavenly Father, the minister ship, military or industrial supremacy were what the Father measured a nation by but that Righteousness Exalteth A Nation.

The minister stated that the United States was getting away from God. He said the family altars were crumbling and that the children in the homes were not having their attention called to the Father of the Universe. An incisive psychology emanating from our college and universities robbing Christ of his deity was also mentioned.

Rev. Dickey brought his masterful sermon to a climax when he said that the situation of the nation needed a revival of Holy Ghost religion. He reminded his hearers of the revivals of 1740 and of 1800 and pled that the people of Mayville unite in prayer for a revival of the old time religion.

CHAMBER OF COMMERCE TO ELECT ON TUESDAY

GROCERY SHOWER PROVES BIG SUCCESS FOR SCHOOL

First District School's Penny Lunch Received Many Donations on Wednesday Evening.

A grand success was the grocery shower for the First District School last Wednesday evening. Col. J. Barbour Russell started the ball rolling early in the afternoon when he sent his "Poetry" and "One Hundred Pounds of Sweetness". Then in the evening, long before the doors were opened, the kind friends and patrons of the school were thronged at the building laden with articles of food stuff for the Penny Lunch. Words cannot describe the pretty pile of groceries received, besides thirteen dollars in cash. Mr. R. G. Knox auctioned a little rocking chair off in the crowd, the proceeds going to the lunch. Our good friend, Mr. E. T. Kirk brought a bag of "precious" potatoes; and some very unique coupons, good for twenty-one loaves of Pullman bread were sent by Miss Esquiline Traxel. The P. T. A. is very grateful for this manifestation of kindness and generosity and wishes to thank every one who contributed and helped to make the shower such a wonderful success.

Many interested persons visited the lunch room and learned how it is conducted. Then followed an excellent program by the children and the "kiddies" certainly did their best. As little Pilgrims, Indians and Dutch children they presented the story of "The First Thanksgiving" very creditably and their fond manna and papa can well be proud of them and the First District School.

DELIGHTED AT HUNTINGTON

Mr. William Groppenbacher and wife of Huntington, West Va., were guests of Mr. and Mrs. Homer Ellis Wednesday. They are delighted with their new home. Mr. Groppenbacher is connected with two local tobacco houses in Huntington. He says the increase in population has been so great recently, that every ten days an additional school room is required to house the children. The city recently issued \$400,000 in bonds to enlarge the capacity of their school buildings.

COLORFUL ODD FELLOWS PAY OFF THEIR DEBTS

The members of the Mayville Colored Lodge of Odd Fellows celebrated Thanksgiving Day right royally on Thursday for besides its being the national day of thanks, it also marked the day of their wiping out their debt on their beautiful building, lower Sutton street. The last bond had been paid and was burned Thursday. They kept open house all day and had a most pleasant time.

GOLDEN WEDDING IS CELEBRATED AT "WESTVIEW"

Beautiful Country Home of Mr. and Mrs. N. H. Richardson Is Same of Happy Family Reunion on Thanksgiving.

"Westview" the pleasant home of Mr. and Mrs. N. H. Richardson on Jersey Ridge was the scene of the happiest family reunions imaginable on Thanksgiving Day. It was the family celebration of the golden wedding anniversary of Mr. and Mrs. Richardson which occurred a few days ago. All the children—five sons and their wives and all the grandchildren—nine in number, two brothers of Mrs. Richardson—were present. It was the first time for many years that the whole family assembled on a like occasion at the old home and it goes without saying that the day was one of unalloyed happiness. A bounteous Thanksgiving dinner consisting of all the delicacies that the country and the market could afford, and for which this home is noted, was served. It was a happy group that sat at the table with father and mother at either end of the table just as they have presided with such grace for over 50 years.

At the conclusion of dinner Mrs. Richardson expressing her joy at having all the family present, presented each son, daughter-in-law and grandchild with a five dollar gold piece. A message of greeting, congratulations, and good wishes from Rev. J. J. Dickey, was read. Brother Dickey was pastor at Old Stone church forty-two years ago of which Mr. and Mrs. Richardson were members, and to which they took their children. In his letter Rev. Dickey referred to the pleasant days spent in the Richardson home in those days. The afternoon was spent in a genuine homelike fashion, and when the time for parting came each and everyone felt that truly it was the "End of a Perfect Day."

The names of those present are as follows: Mr. and Mrs. Burr Richardson and son, Bernard of Dayton, Ohio; Mr. and Mrs. Joseph A. Richardson, Jr., and daughter, Martha Margaret, of Ripley, Ohio; Mr. and Mrs. Reed Richardson and children, Leslie, Adah Reed, and Alberta of the county; Mr. and Mrs. John M. Richardson and sons, Thomas and John, and Mr. and Mrs. J. H. Richardson, son and daughter, Howell and Juanita of this city, and Messrs. Ben P. and C. Tripp Marsh of Charleston Bottom and Mr. Schuman of Ripley, Ohio.

Will the Influenza Return?

Public Health Authorities Fledgling Recurrence

Guard Against It by Building Up the Blood

Pepto-Mangan Creates Rich Red Blood and Increases Strength

Surgeon General Blue, of the United States Public Health Service, in a recent statement from Washington, warns the public that the much-dreaded influenza epidemic will probably return this fall and winter. All medical authorities agree that the weak, bloodless, run-down individual is more likely to contract this (as well as any other infectious disease) than the strong, robust, red-blooded man or woman. In view of these facts, it is wise to use every effort to build up the blood and thus increase the bodily resistance to the invasion of the germs of the disease. Gude's Pepto-Mangan fills an absolutely dependable red-blooded builder in all conditions of lowered vitality not due to serious disease of the vital organs. It improves the appetite, imparts color to the cheeks, and creates new hope and ambition in those who have become pale, weak, and listless. Physicians recommend Gude's Pepto-Mangan. When you order, be sure the word "Gude's" is on the package. Without "Gude's," it is not Pepto-Mangan. Fulfilled in both liquid and tablet form. For sale by all druggists.

HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well. My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MAMIE BOYD, 1421 5th St., N. E., Canton, Ohio.

Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, after doctors have said that an operation was necessary—every woman who wants to avoid an operation should give it a fair trial before submitting to such a trying ordeal. If complications exist, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years' experience is at your service.

Our Profit from all Sources

The American Public does not believe all it reads. It insists on being shown.

When Swift & Company says its profits are only a fraction of a cent per pound, many believe we are not telling the whole story—that there are hidden profits.

Here Are The Facts:

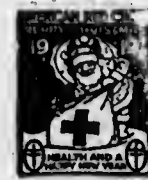

Our net profit on our entire business for the year 1918 amounted to only 1.76 cents per dollar of sales, or less than one-half cent per pound, and

1. Included profits from hides and all other by-products.
2. Included profits from all sundry side-lines.
3. Included profits on all subsidiary corporations.
4. To sum up—it included the entire profit from every source of revenue in which Swift & Company has any interest. There are no other profits.

Furthermore our accounts have been checked and certified annually by leading public accounting firms.

Swift & Company is sincerely trying to get the facts before the public. If you have any questions regarding our business—write us—and we will do our best to answer them. In discussing the packing business be sure you have the facts and that you are not unintentionally spreading misinformation.

If you get the facts we have no doubt as to the verdict.

MAN HAS TWO LIVING WIVES LOCAL OFFICERS ARE TOLD

Cincinnati Man Is Arrested on Minor Charge and Is Said to Have Two Living Wives at Present—Oficers of Other Cities Notified.

William Dowden was arrested this morning by local police at the home of Lawrence Williams in Fourth street on a charge of using language calculated to provoke a breach of the peace and he will probably be given a hearing on this charge in Police Court Saturday afternoon.

Dowden has been living in Cincinnati but his wife has been boarded at the Williams home. The wife told officers today that when she married Dowden at Huntington, W. Va., in June of this year, he had a living wife in Cincinnati. The local police have learned through their investigations here that Dowden's first wife brought suit against him in May and that he married again in June. The divorce was granted the first wife in October of this year. Cincinnati Court officials say, but it has not yet been recorded. This being the case Dowden seems to be technically guilty of bigamy but the offense was not committed in this state.

Chief of Police Ort had advised officers of Cincinnati and Huntington of his discoveries in the case.

MAYSVILLE COLORED BOYS' BAND MAKES BIG HIT
Last night there was a crowd out to hear the Colored Boys' Band give their first concert, which was a great success. There were visitors present from Flemingsburg and Lexington and all went away saying that the concert given was one of the best they had ever listened to. It is indeed remarkable considering the time that the boys have been under instruction only eight weeks and now able to give concerts. The boys demonstrated what they could do, then their parents and friends came forward and laid on the table \$50 to help pay the program and every one enjoyed the program and left the church heaping congratulations upon the "Prof." and "Manager" also Rev. Penn for his timely and eloquent speech.

LEA-HIEATT
Mr. Herbert Hieatt, cashier of the Mifflord Bank, and Miss Blanche Lea, daughter of Mr. and Mrs. Charles Lea, of near Brooksville, were married at the Central Hotel here Thanksgiving Day by Rev. Pfannstiel, of Bracken county. They were accompanied by Miss Esther Lea and Mr. and Mrs. Paris W. Jett. Following a Thanksgiving dinner at the Central they left for Cincinnati and will go on to Niagara Falls on their wedding trip.

MEETING TO BE HELD AT CENTRAL HOTEL
The banquet to be served by the Chamber of Commerce to the Maysville business men on next Tuesday evening when the annual election of officers of the Chamber will take place, will be held in the dining room of the Central Hotel.

Mr. R. L. Holton has purchased from Mr. Louis Willett, the one-story building in Commerce street known as the old Laundry building. This building will be used for the storage of tobacco. It is located opposite the Liberty warehouse.

Mrs. Mamie Dwire Roeman, aged 20 years, died at the home of her parents, Mr. and Mrs. John Dwire near Maysburg, this morning at 2:30 o'clock. Burial will be made Sunday afternoon.

In the Mason County Court this afternoon W. P. King was named administrator of W. P. Bramel, deceased, and he qualified as such with A. I. Bramel as surety on bond. Messrs. T. F. Galtner, Uriah McDaniel and C. F. Owens were named appraisers of the estate.

A drive shaft on an East bound C. & O. freight train broke as the train was passing the foot of Market street about noon and damaged the ties and road bed considerably. The train was stopped before a wreck was caused and traffic was delayed for some time.

Howell M. Richardson, student at Ohio Wesleyan University is home for the Thanksgiving holiday and to attend the family reunion at his grandparents, Mr. and Mrs. N. H. Richardson.

District Weather Forecaster Deveraux says the Ohio will reach its crest at about 45 feet in this district on Sunday. This will not be a flood stage of any seriousness here.

Mr. John T. Strode, student of the Allentown Military Academy, spent Thanksgiving with his parents, Mr. and Mrs. W. Hall Strode.

TIME IS THE TEST

The Testimony of Maysville People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time. Maysville people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would citizens make the statement that the article was just as represented? Below is testimony such as the sufferer from kidney illness is looking for.

Henry S. Gallenstein, blacksmith, 24 W. Third St., Maysville, says: "My kidneys were out of order and I had pains through my back. Doan's Kidney Pills put me entirely stop to the pains and my kidneys became well." (Statement given January 9, 1912.)

RESULTS THAT REMAIN
Over four years later, on November 14, 1916, Mr. Gallenstein said: "I haven't had any need of a kidney medicine since I last recommended Doan's Kidney Pills. The benefit they gave me has been permanent."
Price, 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the name that Mr. Gallenstein had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.
